Welcome to Ohio's Best Hometown

In 2023, Lancaster, Ohio, was recognized as a Best Hometown by Ohio Magazine, solidifying the city as a great place to live, work, and visit. The city, which features the charm of a small town but the amenities of a metropolis, was founded in 1800 and its history continues to be celebrated to this day. In the vibrant downtown,

you'll be greeted by stunning homes and mansions in the **Square 13 Historic District**, which is only a block away from casual upscale restaurants, boutique and antique shops, cozy cafes, and live entertainment at the bandstand.

Museums are also abundant throughout the area with artful exhibits at the **Ohio Glass Museum**, **Decorative Arts Center of Ohio**, and **Gay Fad Studios Glass Museum** – or historical exhibits at the **Georgian and Sherman House** museums. Around every corner, there is something new to discover or experience! Of course, there's more to Lancaster than its idyllic downtown; known as the "Gateway to Hocking Hills," the region is nestled between these iconic natural landscapes and the fast pace of the state's capital city. Lancaster boasts 29 city parks and 10 county parks, providing ample opportunity to enjoy the outdoors by hiking, biking, fishing, and more!

The city also hosts a variety of annual events (see page 21) for all audiences. Whether you want to enjoy a free movie in the square at **Saturday Cinema**, experience art and live music at the **Lancaster Festival**, sample craft beers from all over Ohio at **Lancaster BrewFest**, or experience the magic of **Wands & Wizards Weekend**, there is something for everyone in Lancaster. Also, you won't want to miss signature events like the NYE street party, **Glass Town Countdown**, or the midcentury barware show, **Bottoms Up**, which both celebrate the city's rich heritage as a glass town. *Visit Fairfield County* invites you to the region to see for yourself why Lancaster is Ohio's Best Hometown. Be sure to stop by the visitor center at 128 N. Broad Street to learn more about this great destination and all it has to offer!

Across the County

LANCASTER | PICKERINGTON | BUCKEYE LAKE

Situated just 30 minutes from Columbus and Hocking Hills, Fairfield County is a destination in central Ohio spanning over 500 square miles. Across its communities, you'll find historic downtowns, charming villages, and lakefront neighborhoods, each with its own distinct character and charm.

LANCASTER

As one of Ohio Magazine's *Best Hometowns*, you're sure to find the perfect spots to live, work, or play in the heart of Fairfield County. Widely known as the *Gateway to the Hocking Hills*, Lancaster holds natural beauty, a vibrant downtown, historical significance, and so much more. **Charles Alley Memorial Park** is a must-see, offering two lakes, a nature center, a covered bridge, and miles of hiking and walking trails. Downtown Lancaster features a wealth of locally-owned businesses and restaurants, like **Keller Market House** and **O'Huids Gaelic Pub**. While in the area, grab lunch from **Provisions Bakery & Deli** and dessert at **Whit's Frozen Custard**, check out the many museums highlighting everything from art, to glass, to Civil War history. Many of these museums, including the **Sherman House**, **Georgian Museum**, and **Decorative Arts Center of Ohio**, are part of the **Square 13 Historic District**, which showcases exquisite, stylistic architecture. Of course, a trip to Lancaster isn't complete without a quick hike to the top of **Mt. Pleasant** in **Rising Park**, where you can overlook the entire city and on clear days, even see the Columbus skyline!

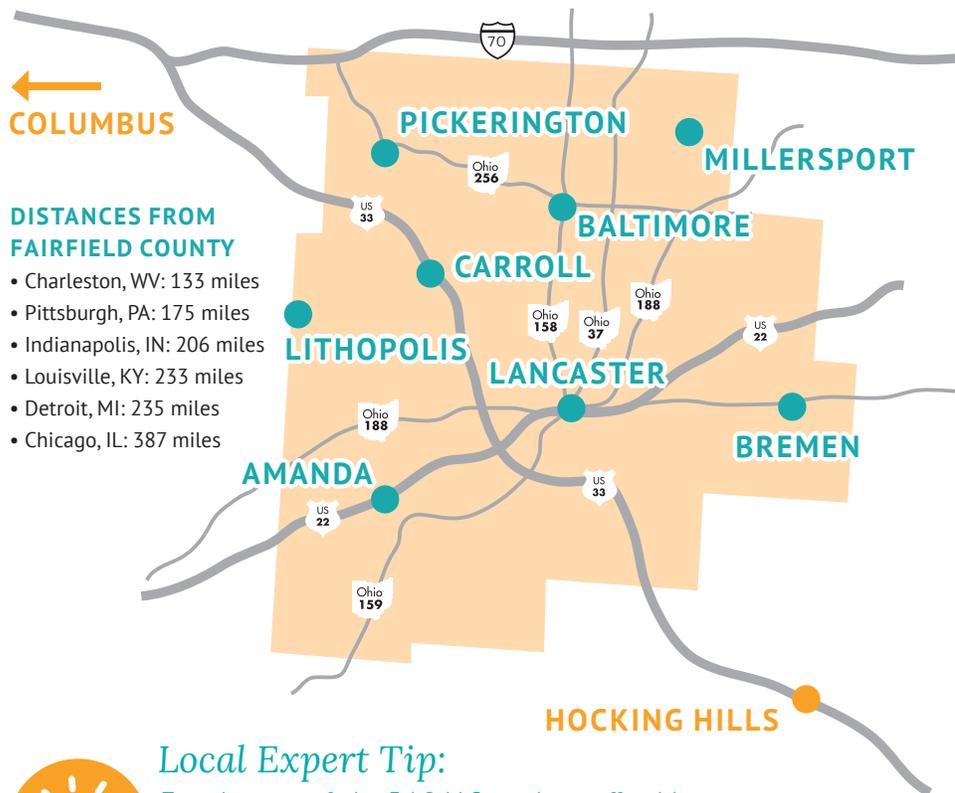

PICKERINGTON

Pickerington, a diverse suburban community on the east side of Columbus, is a true foodie haven not far from the big city. Find your next favorite dinner spot at local restaurants like **Hangry City Grille & Spirits** or **Omezzo Italian**. Or, try one of the many eclectic restaurants that can satisfy any palette, like the **Jhapali Kitchen and Bar** or **Twinado Kitchen's Jerk Shack**. Also offering a vibrant downtown area, Pickerington frequently hosts shop hops and other special events, like the annual **Oktoberfest**, **Cruise & Brews**, **Pet Fest**, **Wizard Faire**, and the **Holiday Gathering**. Browse shops, boutiques, or grab a pint at **Combustion Brewery & Taproom**. If craft brews aren't your style, you can stop by **Sorso Coffee** or **Porters Coffeehouse & Bakery** locations to get a cup of joe to go, or **FiiZ Drinks** for specialty beverages and snacks. Explore fun for the whole family – including an arcade and bowling alley at **Rule 3**, parks, a weekly farmers market, the **American Motorcycle Association Motorcycle Hall of Fame Museum**, and more.

MILLERSPORT (BUCKEYE LAKE)

Escape to the lake in Millersport, Ohio! If you're looking for your next favorite coffee spot like **Millersport Coffee**, or the best place to grab a relaxing crafted cocktail after a fun day on the water like the **Hereinafter Cocktail Tavern**, Millersport has it all. This lively lake town is also the perfect spot to indulge in a sweet scoop from **Weldon's Ice Cream Factory**, located right along the canal. Specializing in outdoor recreation equipment, **LakeBound Outfitters** has all your lake day needs, from kayak rentals to fishing poles, camping gear, and more. Millersport is also home to the annual **Sweet Corn Festival**, a great location to spend a getaway on the lake, and the ideal spot to shop at local businesses like **Buckeye Lake Place** or **Millersport Flowers**.

Explore Fairfield County's other unique villages like **Amanda** to grab a sweet treat from **Clearcreek Cakes and Bakes** and visit the **Amanda Roller Rink** for a family-fun throwback. Satisfy all your caffeine cravings with **Juniper + Ivy** in **Baltimore**, or grab a cone from **Schaffner's Drive-In**, and make sure to visit the **Baltimore Festival** every August for live entertainment, games and rides, a cruise-in, and more. If you're hiking in the Hocking Hills, journey to **Bremen** for a bite from **Rushcreek Pub & Grub** and explore the community museum that features the **Mericle Pioneer Room**. **Carroll**, another village known for its charm, offers exciting things to do and see, including the **Ohio & Erie Canal Historical Mural** and **Antiques on High**, which features high-quality antiques and vintage motorcycles! After, grab a hot slice from local staple, **Shirky's Pizza Zone** or wings, salads, burgers and more at the **Fillin' Station**. Travel back in time with the picturesque **Wagnalls Memorial Library** in **Lithopolis** and don't miss the annual **Honeyfest** celebration every September. This unique event offers live music, crafts, vendors, contests, and of course, lots of honeybees!

Local Expert Tip:

To explore more of what Fairfield County has to offer, visit us in October when we host the Trail of Scarecrows. This annual, county-wide event will take you to other communities like Sugar Grove, Pleasantville, Rushville, West Rushville, and Thurston!
